Click on 'Articles' At the bottom of the screen you will see  
'Active Notifications'

Select 'Notify me when any new story is posted.'  
Verify the Notification method is:Email  
Click on 'Update Now'

Repeat this for 'Forum' and 'Web Links'

Once finished click on 'Notifications' at the top right hand of the screen.

You must see all the notifications that you have opted to receive.

At any time you may choose not to receive some or all notifications.
